Actor Karthi and director Rajat Ravi Shankar are collaborating for the upcoming action-adventure 'Dev', which officially went on the floors earlier this year. The film will see Karthi and Rakul Preet Singh teaming up once again after 'Theeran Adhigaram Ondru'. According to latest reports, the makers have reportedly finished half of the film.

In a recent Facebook chat session, Karthi revealed that they've completed 50 percent of the shoot. He also said that he would be heading to Ukraine along with his team to shoot some important sequences for the film.

To be made on a budget of Rs 50 crore, 'Dev' is being produced by Prince Pictures and stars Prakash Raj, Ramya Krishnan, Amrutha, Vignesh, Vamsi, Ravi and veteran actor Karthik in important roles. Harris Jayaraj has been roped in to compose the music for the film.

On the work front, Karthi is gearing up for the release of his forthcoming rural entertainer 'Kadai Kutty Singam', which is being directed by Pandiraj. Produced by Suriya's 2D Entertainments, the film has Sayyeshaa of 'Vanamagan' fame playing the female lead. 'Kadai Kutty Singam' has music by D Imman and is all set to hit the screens this Friday.
