Ukraine delegation lauds State's IT initiatives

Initiatives in Andhra Pradesh on the information technology, IT-enabled and eGovernance sectors have attracted a delegation from the Ukraine, led by its Ambassador Oleksandr D. Shevchenko.

At a meeting with Secretary-IT, Government of A.P., Sanjay Jaju here on Wednesday, the delegation outlined sectors that contributed to the Gross Domestic Product of Ukraine and expressed areas of interest for coordination with A.P.

Mr. Jaju invited Mr. Oleksandr to participate as a trade delegation in 'Advantage Andhra Pradesh', the annual Information & Communications Technology event of the State in June, 2012, said a press release.
